

2017 Webinar Series

## Transition Services & the IEP

Emphasis will be placed on the essential roles of youth, parents and professionals in developing a transition plan that reflects the student's dreams for his/her future. Participants will walk away with strategies, resources and tools to effectively use transition services in the IEP to prepare a student for the life after high school.

**ONLINE  
WEBINAR**

**WEDNESDAY  
AUG 16TH**

**10 AM**
